KPD Records Section Window reopens additional services

LĪHU'E — The Kaua'i Police Department (KPD) Records Section Window, which continues to serve the public from 8 a.m. to 4 p.m. Monday through Friday, has reopened some additional services.

Sex offender registration can now be conducted again at the walk-up window during normal business hours.

Abandoned vehicle tow payments can also be made at the walk-up window during normal business hours or payments may be left in the drop box located adjacent to the window.

Additionally, legal service documents, subpoenas and restraining orders can now be processed again at the walk-up window during normal business hours.

Firearms registration services, as well as public fingerprinting, continue to be conducted by appointment only. Please call 241-1929 to schedule an appointment.

Returning of evidence to owner(s) is also by appointment only. Please call 241-1655 to make an appointment.

Alarm code ordinance registration and billing is currently being accepted by mail or via the drop box located adjacent to the walk-up window.

In an effort to practice the County of Kaua'i's physical distancing messaging to help mitigate the spread of COVID-19, KPD needed to take precautionary measures to ensure the safety of its employees and community members and closed its walk-up window March 23.

The Records Section reopened by appointment only on May 4 and reopened its window for nearly full-service operations on June 8.

As a reminder, social distancing guidelines will continue to be enforced and masks will be required for service.

For more information please call 241-1929 or email kpdrecords@kauai.gov.
